

COLLECTION ORIGINES TUTIAC

Over the generations, our winegrowers have become real experts in their respective terroirs, which cover more than 15 appellations: Bordeaux, Bordeaux Supérieur, Blaye Côtes de Bordeaux, Côtes de Bourg, Fronsac, Médoc, Graves and Sauternes, etc. Each plot has been examined in detail: soil composition, exposure, topography, etc. This enables us to select the most appropriate grape varieties and determine the potential expected quality. The Origines Collection is the culmination of this painstaking work, aimed to reveal the richness of our terroirs and obtain the best expression of the main Bordeaux grape varieties, from the more traditional to the most unusual.
