

LION AND
THE LILY

LION & THE LILY, Blanc, , , 2024

AOP Bordeaux, Bordeaux, France

Do you know where our name Lion & The Lily comes from? On the coat of arms of Bordeaux, you will find a lion and three lilies. The lilies are the historical symbol of the kings of France, and the lion (originally 3 leopards) was the symbol of Richard I of England (also known as Richard the Lionheart). This name is a subtle and modern nod to the history of our beautiful city of Bordeaux, where our white wine comes from!
