Bordeaux

APPELLATION D'ORIGINE PROTÉGÉE

VINTAGE : 2025

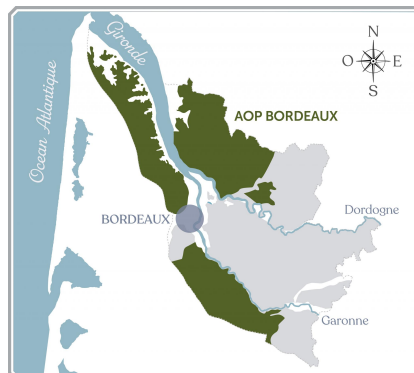

VARIETAL : Sauvignon blanc 100%

TERROIR : Clay-limestone

WINEMAKING / AGEING : The musts are systematically inerted, then cold-settled (static cold clarification) to obtain a clear juice and encourage a clean, precise aromatic expression. Alcoholic fermentation takes place in temperature-controlled stainless-steel tanks, managed at 18°C to highlight thiol aroma precursors and preserve the fruit's freshness. After fermentation, the wine is aged on fine lees in temperature-controlled stainless-steel tanks to add palate volume while maintaining freshness, tension, and aromatic precision.

TASTING : Bright yellow dress. The nose is expressive with citrus notes. In the mouth, it is lively and aromatic with sweetness and a beautiful acidity. Long aromatic finish.

FOOD PAIRINGS : Salads, fish and seafood, sushi. Ideal for an appetizer with cold cuts and cheese!

Médaille d'OR Sélection Sauvignon 2025, Concours Mondial de Bruxelles Or

"TUTIAC 'LION & THE LILY' SAUVIGNON BLANC BORDEAUX

Les Vignerons de Tutiac is a big co-operative in Bordeaux formed in the 70s and now producing the most Cotes de Bordeaux of any estate. This wine is not in the classic oaked Bordeaux blanc blended with Muscadelle and Semilion but of the fresher style often produced in Entre De Mers. It's wellbalanced with a hit of blackberry leaf and gooseberry and I'd say it's well worth the asking price."
Andy Cronshaw, Manchester Evening News
