

TOUT, LE DARON, AOP Côtes de Bordeaux Blaye, Rouge, 2022

AOP Côtes de Bordeaux Blaye, Bordeaux, France

A very rich wine, showcasing the freshness brought by Malbec to the Merlot, which both thrive in clay soils on an asteriated limestone plateau.

PRESENTATION

Tout! It's Bordeaux through and through! All its diversity, elegance, richness... It deserves its reputation as one of the world's most outstanding terroirs! Tout reveals the natural expression of selected terroirs, low yields, gentle fermentation, long, careful ageing, delicious flavours and good balance...

LOCATION

Geographical origin: Anglade.

TERROIR

The plots lie on a fossil-rich, asteriated limestone bedrock, very close to the surface, that prevents root development. This subsoil, also found in the Saint Émilion vineyards, leads to significant early water stress, producing small, highly concentrated grapes.

IN THE VINEYARD

Sustainable pruning, bud pruning, leaf thinning, green harvesting. The high leaf canopy rapidly consumes the soil's water reserves by evapotranspiration and ensures an adequate leaf-to-fruit ratio, propitious to good concentration and extraction. The grapes are picked early in the morning at optimum ripeness (slightly overripe), to reserve their intrinsic fruitiness and full aromatic expression.

WINEMAKING

The grapes from each plot were fermented separately (1 vat = 1 plot) with 72-hour cold pre-fermentation maceration (10°C), vatting at 26°C for 28 days with daily pumping over, "quick" malolactic fermentation.

AGEING

The wines were put into barrels previously used for 2/3 vintages earlier than usual, in November, and aged for 18 months.
