APPELLATION D'ORIGINE PROTÉGÉE

**VINTAGE** : 2025

**VARIETAL** : Merlot

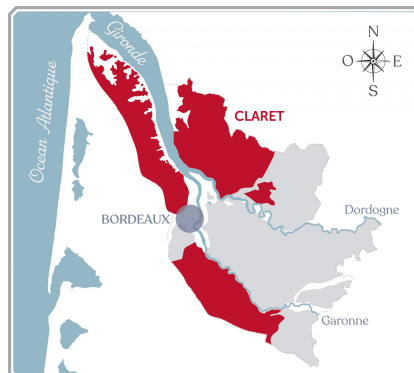

**TERROIR** : This Claret is made from Merlot grapes from young vines. The grapes are harvested early to preserve all the freshness of the fruit and its aromatic expression.

**WINEMAKING / AGEING** : The winemaking process is carried out with a spirit of indulgence and flexibility. A short maceration of about three days allows for a moderate extraction, limiting the tannins. Fermentation at low temperatures promotes aromatic brilliance and freshness. Aging in temperature-controlled stainless steel tanks ensures the purity of the fruit and the balance of the wine.

**TASTING** : The bright red dress with purplish reflections seduces with its brilliance. The nose, clear and expressive, reveals notes of fresh red fruits, dominated by strawberry and crunchy cherry. In the mouth, the attack is soft and ample, marked by a beautiful sensation of roundness. The tannins are light and silky, accompanied by a touch of sweetness that brings harmony and pleasure. The finish, fresh and fruity, extends the tasting with elegance.

**FOOD PAIRINGS** : Aperitif, wraps, pizzas, lightly spicy or sweet and savory dishes, or even charcuterie boards, mild cheeses...

**PRESENTATION** : By selecting each plot according to its terroir and the quality of its grape varieties, the winemakers of Tutiac carry out an original vinification and a blend of impeccable quality, to offer you, vintage after vintage, a Great Bordeaux Wine adapted to your everyday occasions.
