

# LION <sup>AND</sup> THE LILY

**VINTAGE** : 2024

**VARIETALS** : Cabernet sauvignon, Merlot, Petit verdot, Cabernet franc

**TERROIR** : Gravel-dominant soils with deep sandy sublayer. Maritime climate influenced by the Atlantic Ocean and the Gironde estuary, ensuring moderate temperatures, long ripening periods, and consistent vintage balance.

**TASTING** : A refined Margaux with aromas of blackcurrant, wild blackberry, and violet. The palate is silky and precise, layered with cedar, graphite, and subtle spice. Fine-grained tannins provide structure while maintaining elegance and balance. The finish is long, fresh, and unmistakably Margaux in character.

**PRESENTATION** : Inspired by the historic coat of arms of Bordeaux, the Lion and the Lily symbolize strength and nobility united with elegance and purity.

Conviction reflects the unwavering belief of generations of growers who, through shared values and collective commitment, craft wines that honor Margaux's timeless identity while preserving nature for the future. This Margaux blend can be understood as an integrated model that fuses the dimensions of terroir, climate, and vine age into a single, evolving expression of wine, where soil, weather, and time act not as separate influences but as an interconnected whole shaping character and identity.
